

In *Jewelry Box*, Hanna Karlzon invites you into a blooming summer to wander behind the gates of a beautiful deserted house from the turn of the century. Magical creatures await in the wild garden, and inside the house you'll come across forgotten perfume bottles and sparkling jewelry just waiting to be rediscovered.

Hanna Karlzon is a Umeå-based illustrator who specializes in detailed India-ink drawings and finds inspiration from her outdoor surroundings in the north. Hanna's bestselling coloring books *Daydreams*, *Summer Nights*, *Magical Dawn*, and *Seasons* continue to capture the imagination of artists worldwide.
