Ramadan is a month-long observance when Muslims all over the world spend more time with each other, emphasize charitable works, fast, pray, and break their daily fast each night together. It's a time meant to focus on things such as sharing, empathy, compassion, generosity, and selflessness. These ideals are wonderfully illustrated here in Greg Paprocki's inimitable style for each of the 26 letters of the alphabet.

GREG PAPROCKI works full-time as an illustrator and book designer. In addition to illustrating several Curious George books, he's provided illustrations for a number of books for Gibbs Smith, including *S Is for Santa*, *A Is for Atom*, *B Is for Boo*, and *The Big Book of Superheroes*. He began his career as an advertising art director after studying fine art and graphic design at the University of Nebraska. Residence: Lincoln, Nebraska
