

TWILIGHT GARDEN

Discover gardens brimming with lush flowers and woodland creatures in Maria Trolle's debut collection *Twilight Garden*. Pages burst to life as fancy florals, harvest vignettes, and gentle animals float from page to page. Striking black endpapers and white-on-black printed imagery dispersed throughout the pages sets this coloring book apart from the rest with its romantic sophistication.

Maria Trolle is a graphic designer and illustrator living in Tyresö, outside Stockholm. Her passion for gardening acts as a thread to her art, with plants, vegetables and flowers offering daily inspiration—preferably from her own garden.
